

PROGRAMME

SUBJECT TO CHANGE

SUNDAY, 17 OCTOBER 2021

	Welcome Desk open
16.00 – 19.00	Various Committee Meetings (upon invitation only)

MONDAY, 18 OCTOBER 2021

	Welcome Desk open
--	-------------------

FORUM Session 1: Setting the Stage for the 2nd ICPO FORUM

09.00 – 09.10	Opening of the 2nd ICPO FORUM Udo J. Vetter, Chairman of the ICPO Board of Trustees
09.10 – 09.20	Greeting address by representative of TUM official (Technical University of Munich) Wolfgang Weber, TUM Department of Nuclear Medicine, Munich, Germany
09.20 – 09.35	Precision Oncology benefits from a patient perspective Josh Mailman, NorCal CarciNETs, Oakland, USA
09.35 – 10.15	Keynote Reflexion on history, current state and future advances in Radiomolecular Precision Oncology Richard P. Baum, DKD Helios Klinik Wiesbaden, Wiesbaden, Germany
10.15 – 10.45	Coffee Break

FORUM Session 2: Advances in Radiomolecular Precision Oncology, the industry view

10.45 – 11.10	Radioligand Therapy – Recent advances and future developments Germo Gericke, Novartis Oncology, Basel, Switzerland
11.10 – 11.35	Outlook in neuroendocrine tumors and beyond Steffen Schuster & Philip Harris, ITM, Munich, Germany
11.35 – 12.00	Expansion of the theranostic toolbox Christian Behrenbruch, Telix Pharmaceuticals, Melbourne, Australia
12.00 – 12.25	Engineering targeted molecules: the next generation Henning Afflerbach, Navigo Proteins, Leipzig, Germany
12.25 – 13.55	Networking Lunch or Guided Tour TUM Reactor FRM-2 Neutron Source (limited availability; pre-registration required)

Programme subject to change; version as of October 2021; all stated times correspond to Central European Summer Time (CEST) →

MONDAY, 18 OCTOBER 2021

FORUM Session 3: Scaling up supply chains of radiopharmaceuticals

13.55 – 14.20	Digging for gold: the challenging infrastructure of theranostic radionuclides Frank Rösch, Johannes Gutenberg University of Mainz, Mainz, Germany
14.20 – 14.45	Imaging and therapeutic radionuclides: Ga-68, Y-90 and beyond Andreas Eckert, Eckert & Ziegler, Berlin, Germany
14.45 – 15.10	Serving future global demand of Lu-177nca and development of Ac-225 Sebastian Marx, ITM, Munich, Germany
15.10 – 15.35	Next generation radioisotopes for Imaging and Therapy Roger Schibli, Paul Scherrer Institute, Zurich, Switzerland
15.35 – 16.05	Coffee Break
16.05 – 17.50	Multidisciplinary panel discussion “How can we grow theranostics together?” Moderator: Thomas Beyer, Medical University of Vienna, Vienna, Austria
17.50 – 18.00	Closing and invitation to ICPO FORUM Reception Oliver Buck, Member of ICPO Board of Trustees
19.00 – 22.00	ICPO FORUM Reception

Programme subject to change; version as of October 2021; all stated times correspond to Central European Summer Time (CEST) →

TUESDAY, 19 OCTOBER 2021

Welcome Desk open

FORUM Session 4: Advances in hardware and software, the industry perspective

09.00 – 09.25 **Total body PET/CT: A Quantum Leap in Imaging Technology**
Hongdi Li, United Imaging Healthcare, Shanghai, China

09.25 – 09.50 **Artificial Intelligence in Molecular Imaging**
Sven Zuehlsdorff, Senior Director of Research, Siemens Healthineers,
Hoffman Estates, USA

09.50 – 10.20 **Coffee Break**

FORUM Session 5: Expanding patient access internationally

10.20 – 10.45 **Perspective of low and middle income countries for PO over the next decade**
Michael Sathekge, University of Pretoria and Steve Biko Academic Hospital,
Pretoria, South Africa

10.45 – 11.10 **The Noble Registry: iPSMA SPECT imaging for prostate cancer**
Rebecca Lo Bue, Oncidium Foundation, Louvain-la-Neuve, Belgium

11.10 – 11.35 **Patients, nurses and technologists relations in precision oncology**
Linda Gardner, University of California, Los Angeles, USA

11.35 – 12.00 **The need for global standardization of PO clinical practices and healthcare professionals training**
Vikas Prasad, University of Ulm, Ulm, Germany

12.00 – 13.00 **Networking Lunch**

FORUM Session 6: ICPO Community, Pilot Centers and Academy Initial Modules

13.00 – 13.15 **ICPO Core Mission and Unique Purpose**
Odile Jaume, ICPO CEO

13.15 – 13.30 **ICPO Academy: Status and Outlook**
Eva Luz Rosales, ICPO Program Director

13.30 – 13.45 **ICPO Pilot Centers, Vision and Roadmap**
Oliver Buck, Member of ICPO Board of Trustees

FORUM CLOSING: Momentum for global PO community and invitation to join ICPO initiatives

13.45 – 14.00 **Concluding remarks**
Udo J. Vetter, Chairman of ICPO Board of Trustees

Programme subject to change; version as of October 2021; all stated times correspond to Central European Summer Time (CEST)
